Miracle-Gro

Shake'n Feed Continuous Release

Palm
PLANT FOOD

Takes the Guesswork Out of Feeding!™

- The quick, clean, easy way to feed – shakes on in minutes and feeds continuously for 3 months.
- Contains **Magnesium, Iron and Manganese** to help prevent fronds from yellowing and curling.
- Prevents overfeeding or burning when used as directed.

For new and existing outdoor palms and ixora.

DIRECTIONS FOR USE

1. Before first use, unscrew applicator cap to remove inner seal. Then, replace applicator cap and flip open spout.
2. Apply plant food evenly to the soil (apply dry, do not pre-mix with water). Use the illustration to the right as a guide (1 tablespoon per plant). Work into the top 1-3" of soil or mulch, then water thoroughly to start the feeding process.
3. Reapply every 3 months for beautiful palms all season long.

Tips for bigger, more beautiful palms!

- **Planting Success:** For new palms, work the plant food into the soil prior to planting. For established palms, apply to the soil prior to mulching.
- **Optimum Growth:** Your palms need regular watering throughout the growing season to thrive.
- **For Outdoor and Indoor Container Plants:** Use Miracle-Gro Water Soluble All Purpose Plant Food.

Miracle-Gro® Shake 'n Feed® Continuous Release Palm Plant Food

8-8-8 Guaranteed Analysis F1198

Derived from:

Total Nitrogen (N)*	8%
8.0% Ammoniacal Nitrogen
